

## PLUTO NEW

Design Lena Bergström • 2018 • Handmade in Kosta, Sweden

Among sparkling, rolling and mysterious planets, Pluto takes its place in the universe of Lena Bergström. The vase is mouth-blown and manufactured by skilled craftsmen in Småland and the neck is decorated with genuine platinum. The decor is brushed on and then burned into the glass. Pluto vase has a Scandinavian, exclusive expression that fits homes where pure design is high on the wish list. The vase has a generous volume and works just as well as home décor, both with and without flowers.
